

FINANCIAL ACCOUNTANT

KETTERING

We require a professional, dedicated and team-orientated person to join our Financial Accounting team. The primary responsibility of the Financial Accountant is to assist the Financial Controller and to provide information to senior management and other stakeholders.

The successful candidate will deliver timely completion of monthly management accounts, as well as assist in the preparation of statutory accounts, Corporation Tax returns, Group VAT return, Intrastat and EC Sales declarations. On top of this, they will be responsible for the reconciliation of balance sheet accounts, maintenance of the fixed asset register, as well as participation in quarterly accounting reviews.

Additionally, the successful candidate will be required to carry out the publication of KPI reports including sales, inventory and operating expenses. The role will require the individual to liaise closely with internal and external auditors. The nature of the position will involve the incumbent to complete any adhoc tasks that ensures the efficient running of the department or area.

Ideally the candidate will be a strong oral and written communicator and have at least 2 years' experience within a similar role/ professional accounting qualifications (ACA/ACCA/CIMA). The successful candidate will be able to prioritise their workload and be able to complete work to specific deadlines. Ideally, they will possess previous experience of working within a high pressured environment and, due to the nature of our business a flexible approach is essential.
