Become a franchisee for less than £12k

Work for yourself, not by yourself, with a Snap-on franchise

Snap-on is the world's number one tool brand and it's also a great business opportunity! Usual start-up costs are £24,143 but now, with our exclusive Jump Start package, you only need initial funds of £11,755. We'll then fund the remaining investment on a ten-year interest-bearing loan through our in-house bank, Snap-on Finance*. As a franchisee, you will own and run your iconic showroom on wheels. We have over 400 franchisees who come from all walks of life - many are former technicians or mechanics.

- Full training and a lifetime of support
- Keep 100% of your profits
- Join a network of likeminded people
- Enjoy more freedom and flexibility

*subject to personal status

"I'd been a Snap-on customer for years and had always been interested in the franchise opportunity, but it was the promotional price that encouraged me to finally decide to just go for it."

Alex McNellan, franchisee

This is your opportunity to build a profitable business, doing what you love.
There's only one question really... What are you waiting for?
