## NOTES

\*BUSINESS PURPOSE CREDIT ONLY. All finance terms, rates, product, subject to credit and legal approval at time of sale and the terms on Snap-on Finance's preferred form. Not everyone will be approved. Other Lease rates and terms may be offered at the discretion of Snap-on Finance. For approved lease applications from established Snap-on franchisees and requires approval by 31/03/2024. Lease payments are monthly, weekly payments cited above is the monthly payments divided by 4.33333 based on the purchase price (or notional purchase price) at amount listed as financed + VAT less VAT deposit amortized over 7 years with a representative APR of 7.71% as of 18/12/2023. Actual Lease rate is based on an additive over amalgamated like term yield to maturity UK GILT, determined at time of credit approval but at no time will be less than a representative APR of 6.9%. Additional terms and conditions apply. Costs of registration, other business taxes, and costs of ownership (i.e. maintenance, fuel, insurance, driver's qualifications, etc.) are extra.\*\*The price shown is a representation of a standard current build, due to the bespoke nature of a Snap-on vehicle price may increase. \*\*\*Franchisees operating as a LTD Company may be eligible for a 18 week single payment VAT Loan with a representative rate equivalent to the lease rate.
